

EUROPEAN BEER STAR 2021

# PACKAGING AND SHIPPING FOR THE EXPERT TASTING

**The following quantities must be sent in for the expert tasting:**

- Container sizes of 0.5 Litres and above: 12 bottles/cans
- Container sizes below 0.5 Litres: 18 bottles/cans

**Each bottle must be marked visibly with an adhesive label containing the following data:**

- Registration number of the beer (see confirmation form)
- Number of the beer category (see List of Categories EBS 2021)

**Bottles must be delivered in packaging.**

To avoid breakage, the following is recommended:

- Wrap each bottle in bubble wrap.
- Put the bottles upright in the shipping box.
- Stuff empty spaces inside the box with packing material.
- Mark the box with "Fragile" and "This side up".
